

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 1037 - HB 1100

March 28, 2021

SUMMARY OF BILL: Requires the Department of Children's Services (DCS), the Human Trafficking Advisory Council, the Joint Task Force on Children's Justice and Child Sexual Abuse, and the Council of Juvenile and Family Court Judges to work together to develop a mechanism to identify and provide services to children involved with the juvenile justice system who have been sexually abused or trafficked for commercial sex acts.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- DCS currently utilizes a digital assessment tool that exists as a component of its comprehensive Child and Adolescent Needs and Strengths (CANS) system that is used to process and identify children who have likely been the victim of sexual abuse or trafficking; therefore, DCS will have no need to develop a new mechanism. The Department also already has in place the services required to adequately care for such victims.
- DCS can coordinate and work with the other specified entities to meet the requirements of this legislation utilizing existing resources and personnel.
- Based on information provided by the Administrative Office of the Courts, the proposed legislation will not result in a significant increase in caseloads for the state and local courts.
- Any fiscal impact to state and local government is estimated to be not significant.
